

Re: Docket# 98N-1038, "Irradiation in the Production, Processing,  
and Handling of Food."

I want the FDA to continue prominent labeling of food that has  
been treated with irradiation. The label should be conspicuous and  
include the logo for irradiation.

Your Signature: Amanda Miller

Additional comments: I would also like the FDA to label  
food(s) containing genetically altered food(s).
